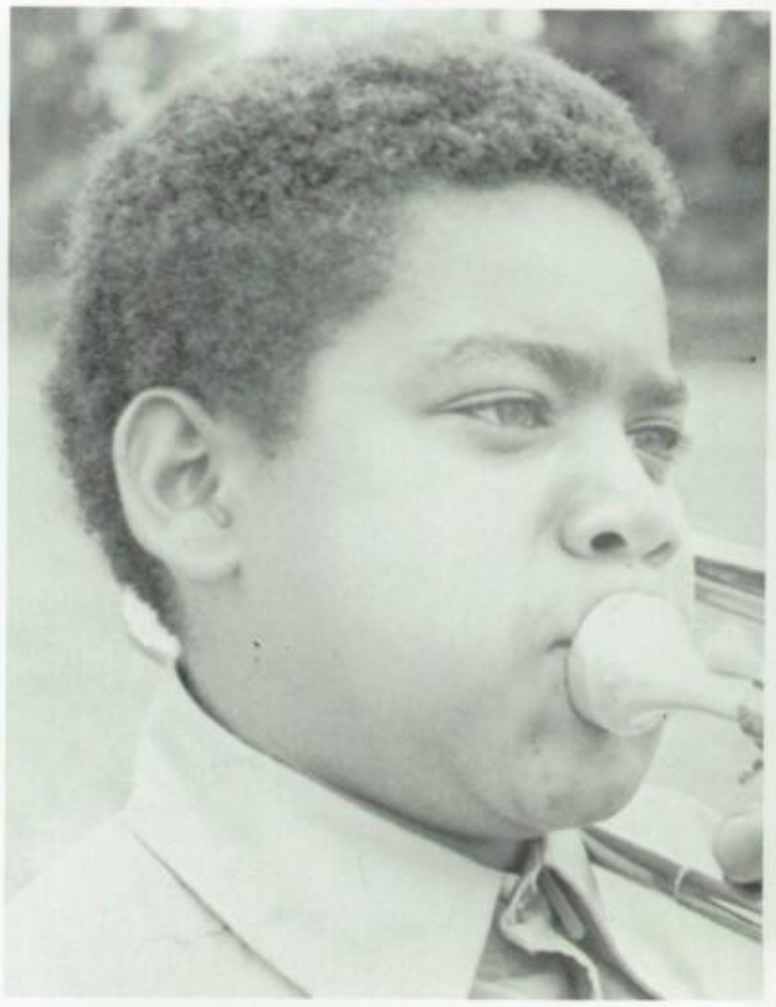
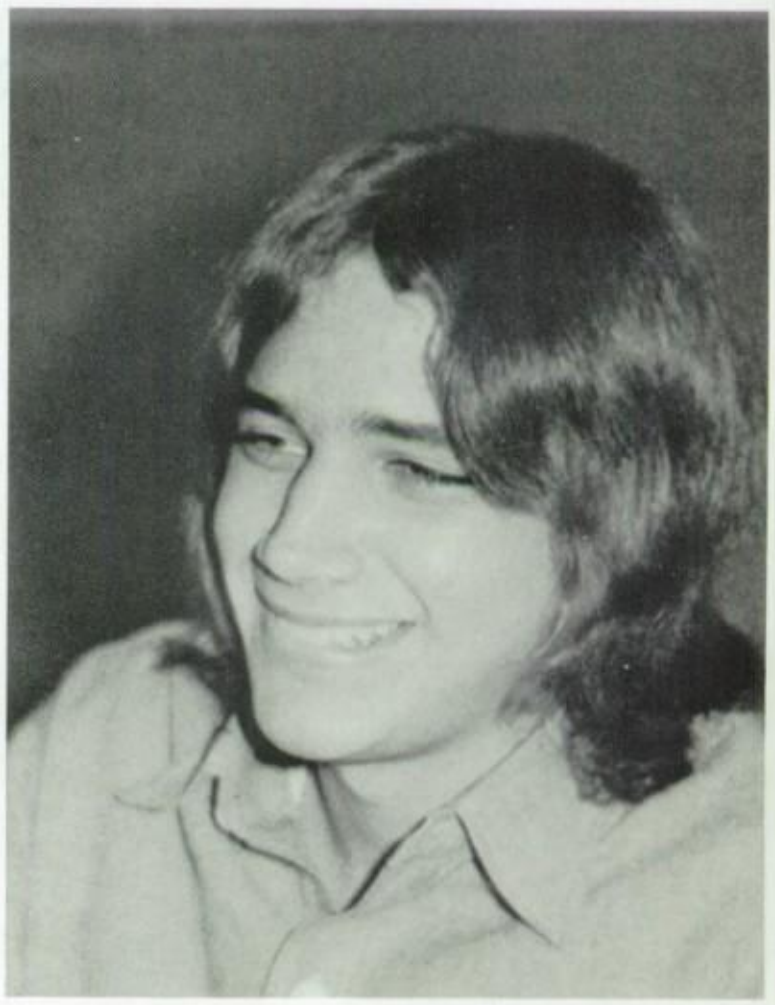
THE '73 CLAW

Smiling Faces,

Sometimes,
Pretend to be your friend

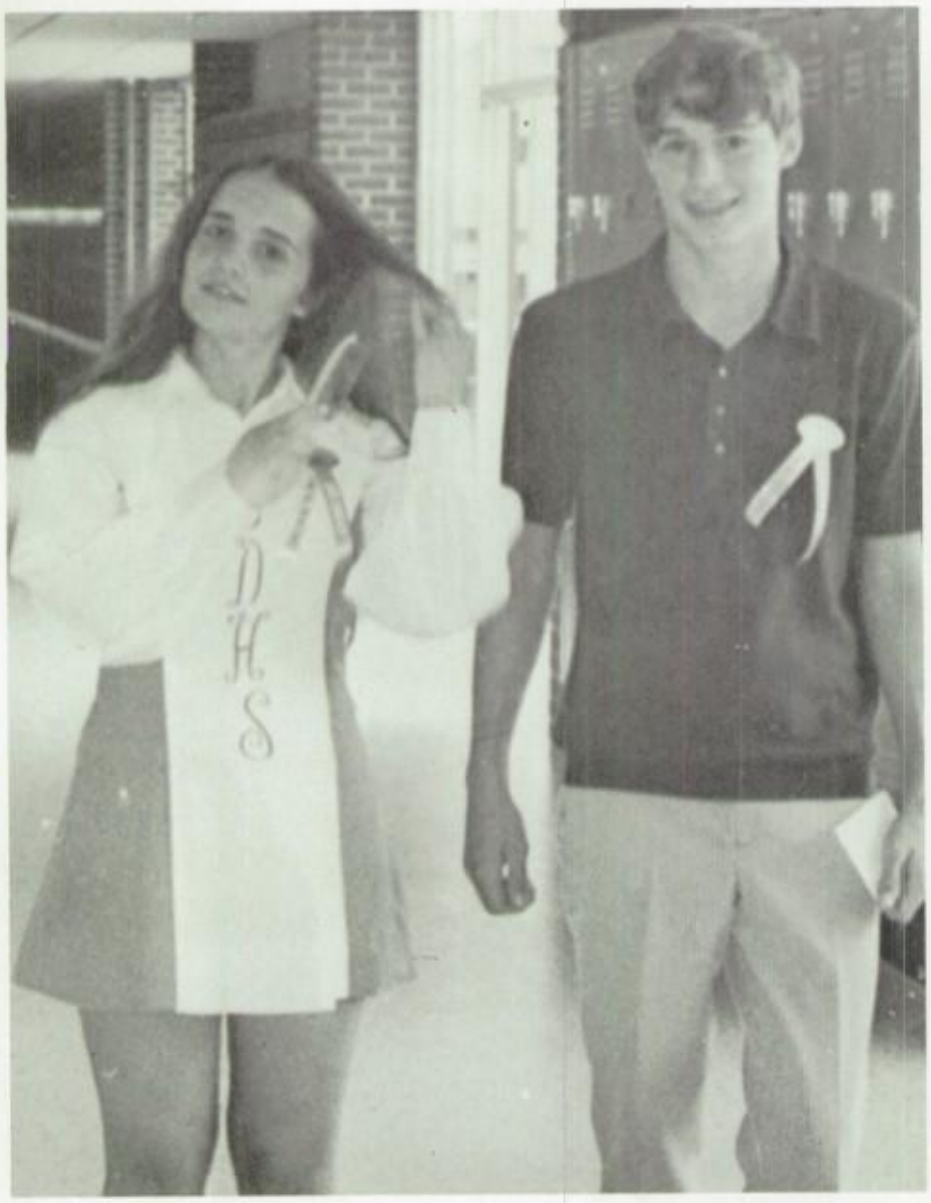
Smiling faces . . . show no traces of the
evil that lurks within,
Smiling faces, Sometimes they don't
tell the truth.

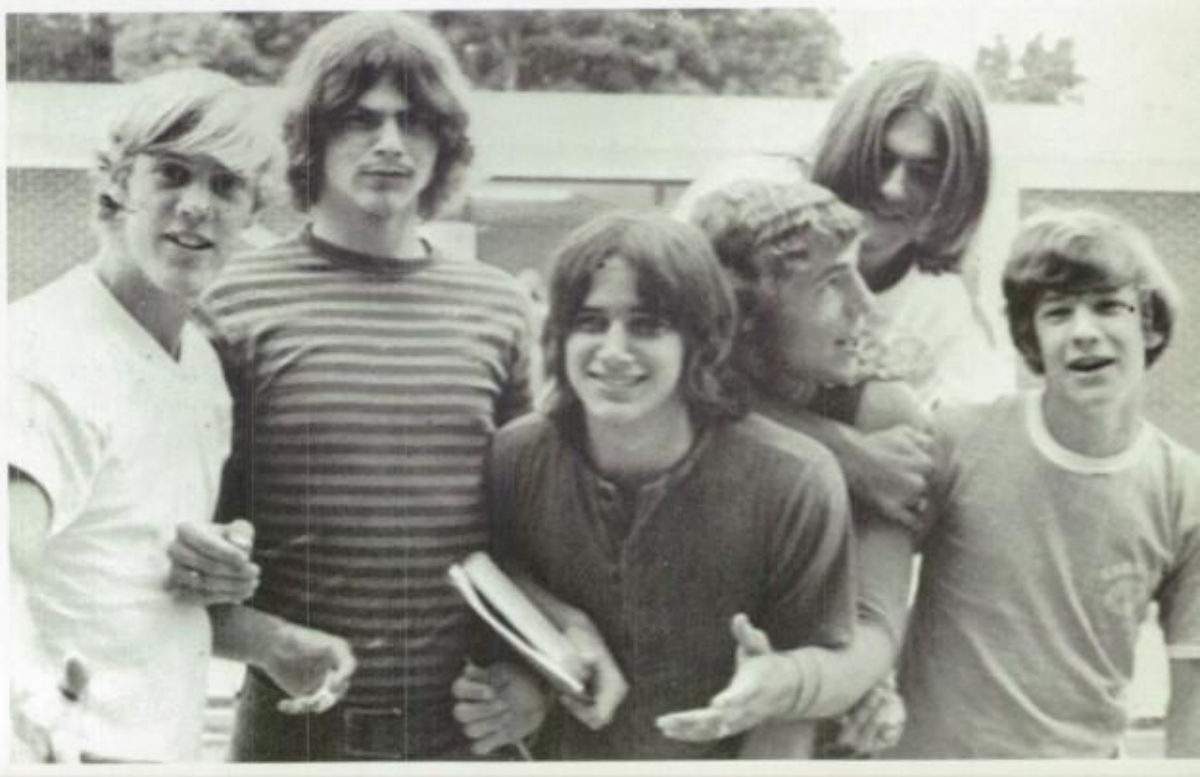




MONDAY

Smiling faces,
Tell lies and I got proof.





The joke is in the eyes and
the eyes don't lie — Amen!

Beware, beware, of the
handshake
that hides the snake.
Beware, beware, of the pat on
the back, It just might just
hold you back.

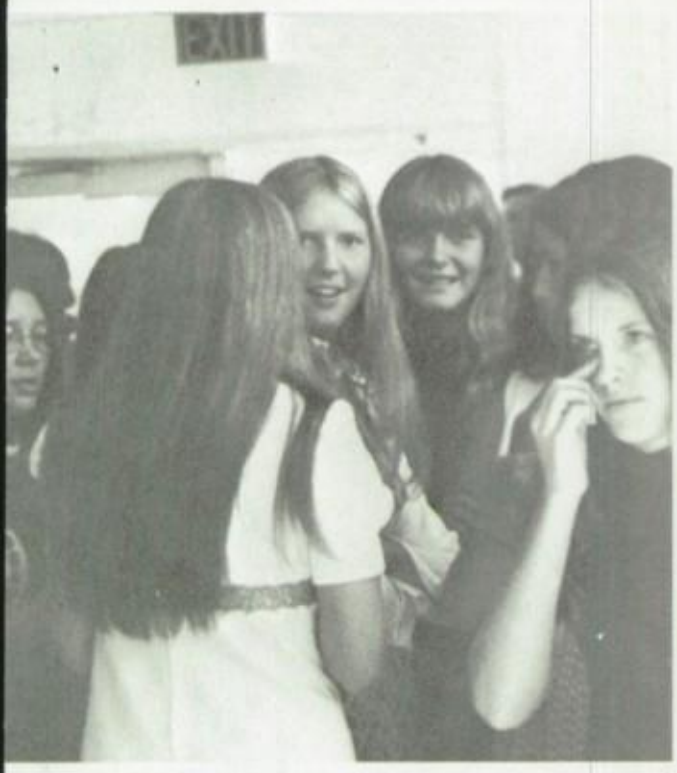
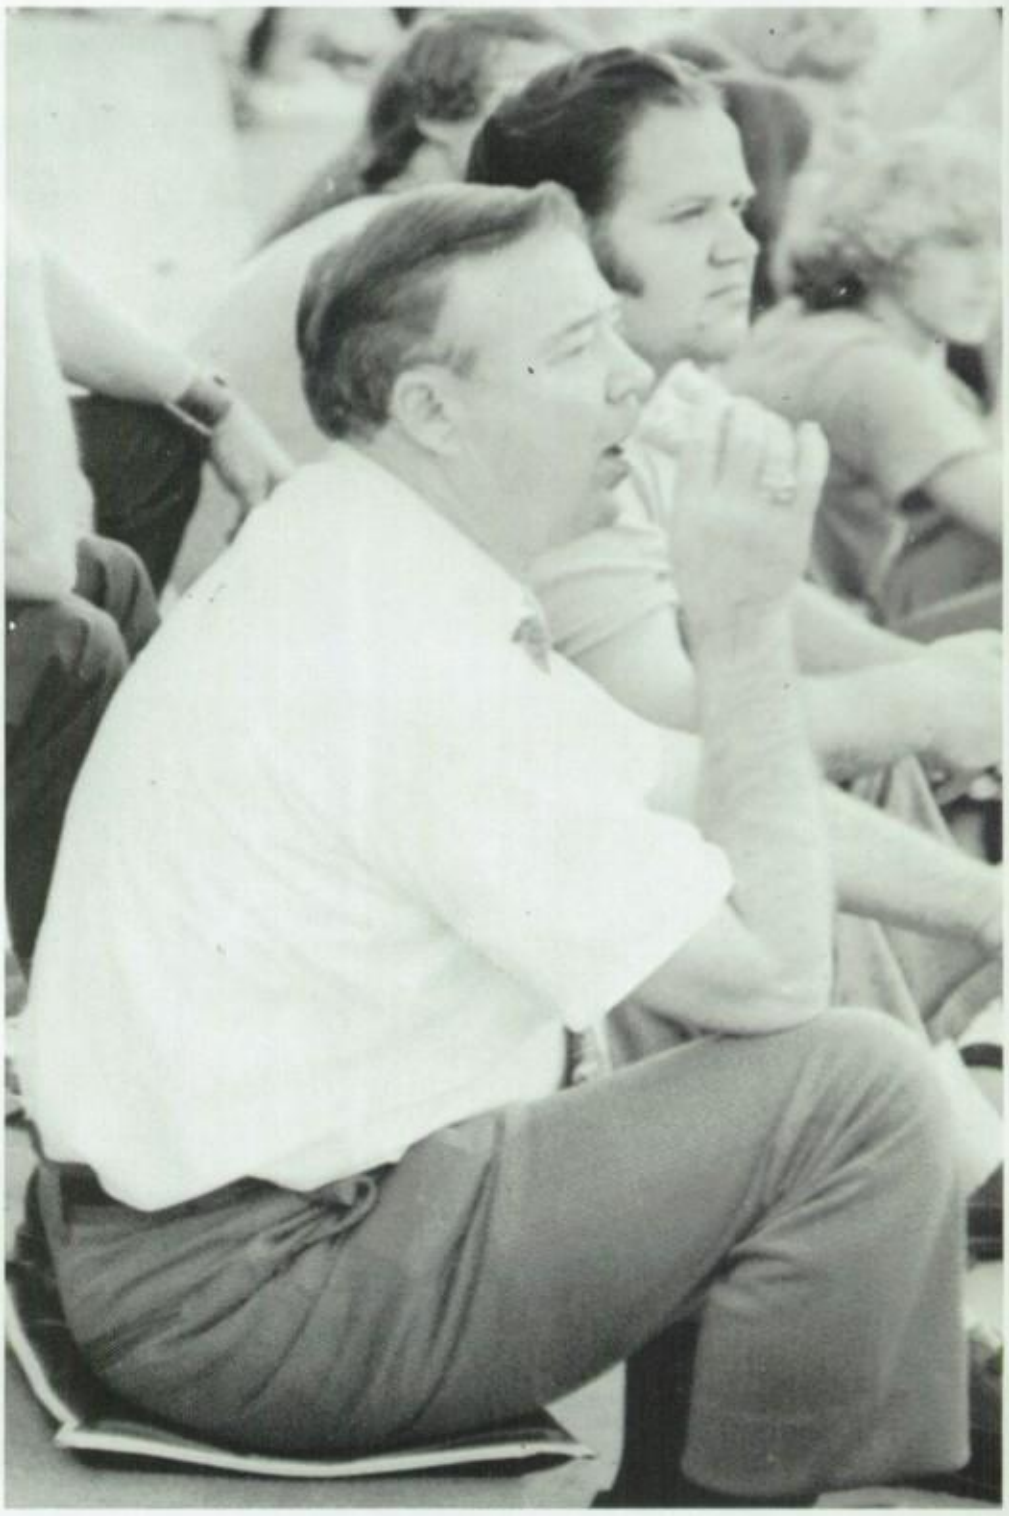
Don't let the handshake and the smile fool ya!

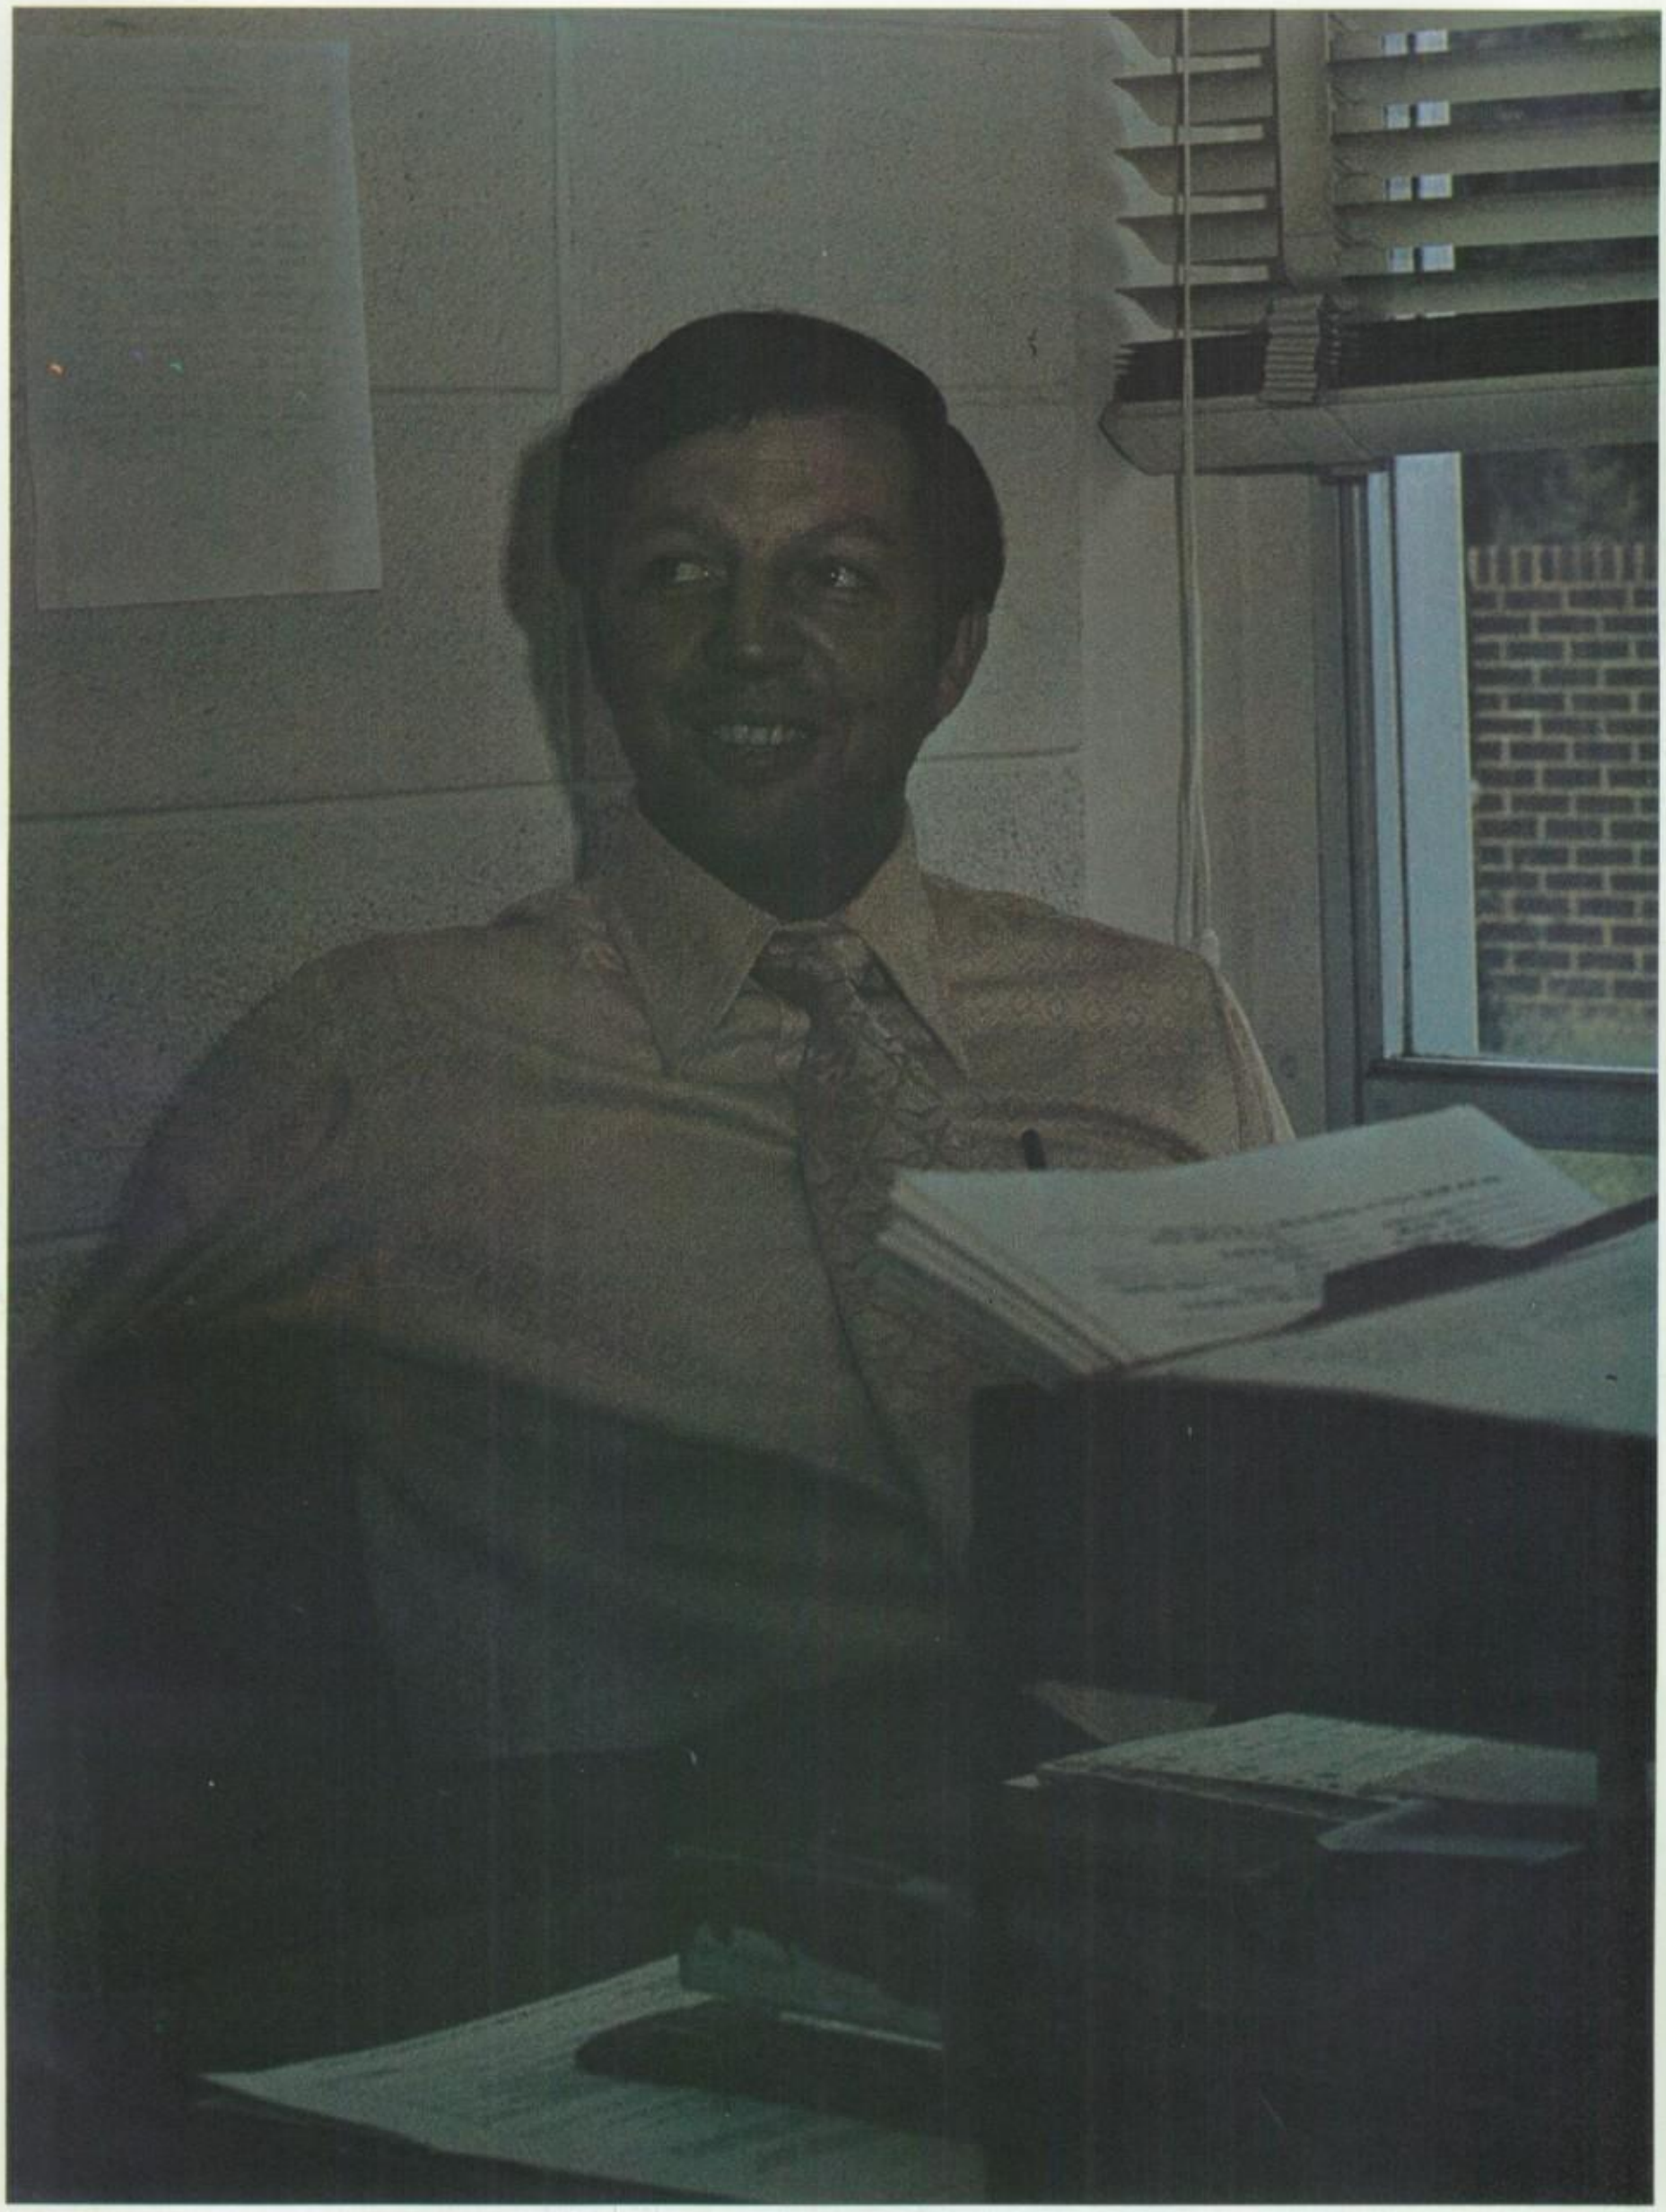


Take my advice, I'm only trying to school ya!



Smiling faces . . .

Smiling faces . . .



Serving Seniors as well as other students he is always there to lend a helping hand.

We see him everyday helping those who are troubled and misquided, or just giving counsel to Seniors about college.

Giving himself fully to prepare every Senior a place in society. He helps all who come to him and is never too busy to spread comfort through the depressed.

Parents also know that the guidance of their children is safe with him.

For his many years of service and understanding to those at East, we dedicate the 1973 Claw to Mr. Lowell Roof.

"FRED IS DEAD"

He came out of nowhere,
And disappeared into nowhere.
Fred was always here,
And seemed to have the run of the place.
Wandering in and out of classrooms
He made his way through these halls
And into the heart of each student and faculty member.
We, the Claw Staff of 1973, would like to commemorate this page to the memory of FRED.
Due to a ruthless act he is no longer with us,
But, his memory lingers on.

The Journalism Department is made up of two branches: the newspaper, the QUILL, and the yearbook, the CLAW. Students are dedicated to both staffs. Identifying pictures, deciding on and carrying out a theme, writing copy, and planning layouts are all a routine part of working as a member of the QUILL and CLAW staffs.

News of interest to students is gathered by each QUILL reporter, who pays close attention to the who, what, when, where, and why elements. All members of the staffs are kept extremely busy organizing and editing for publication.

Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more.

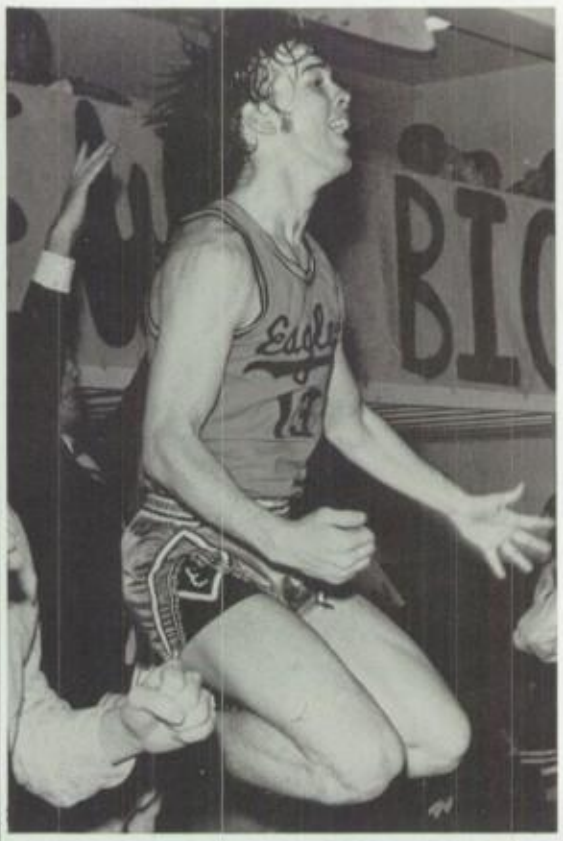
VICTORY



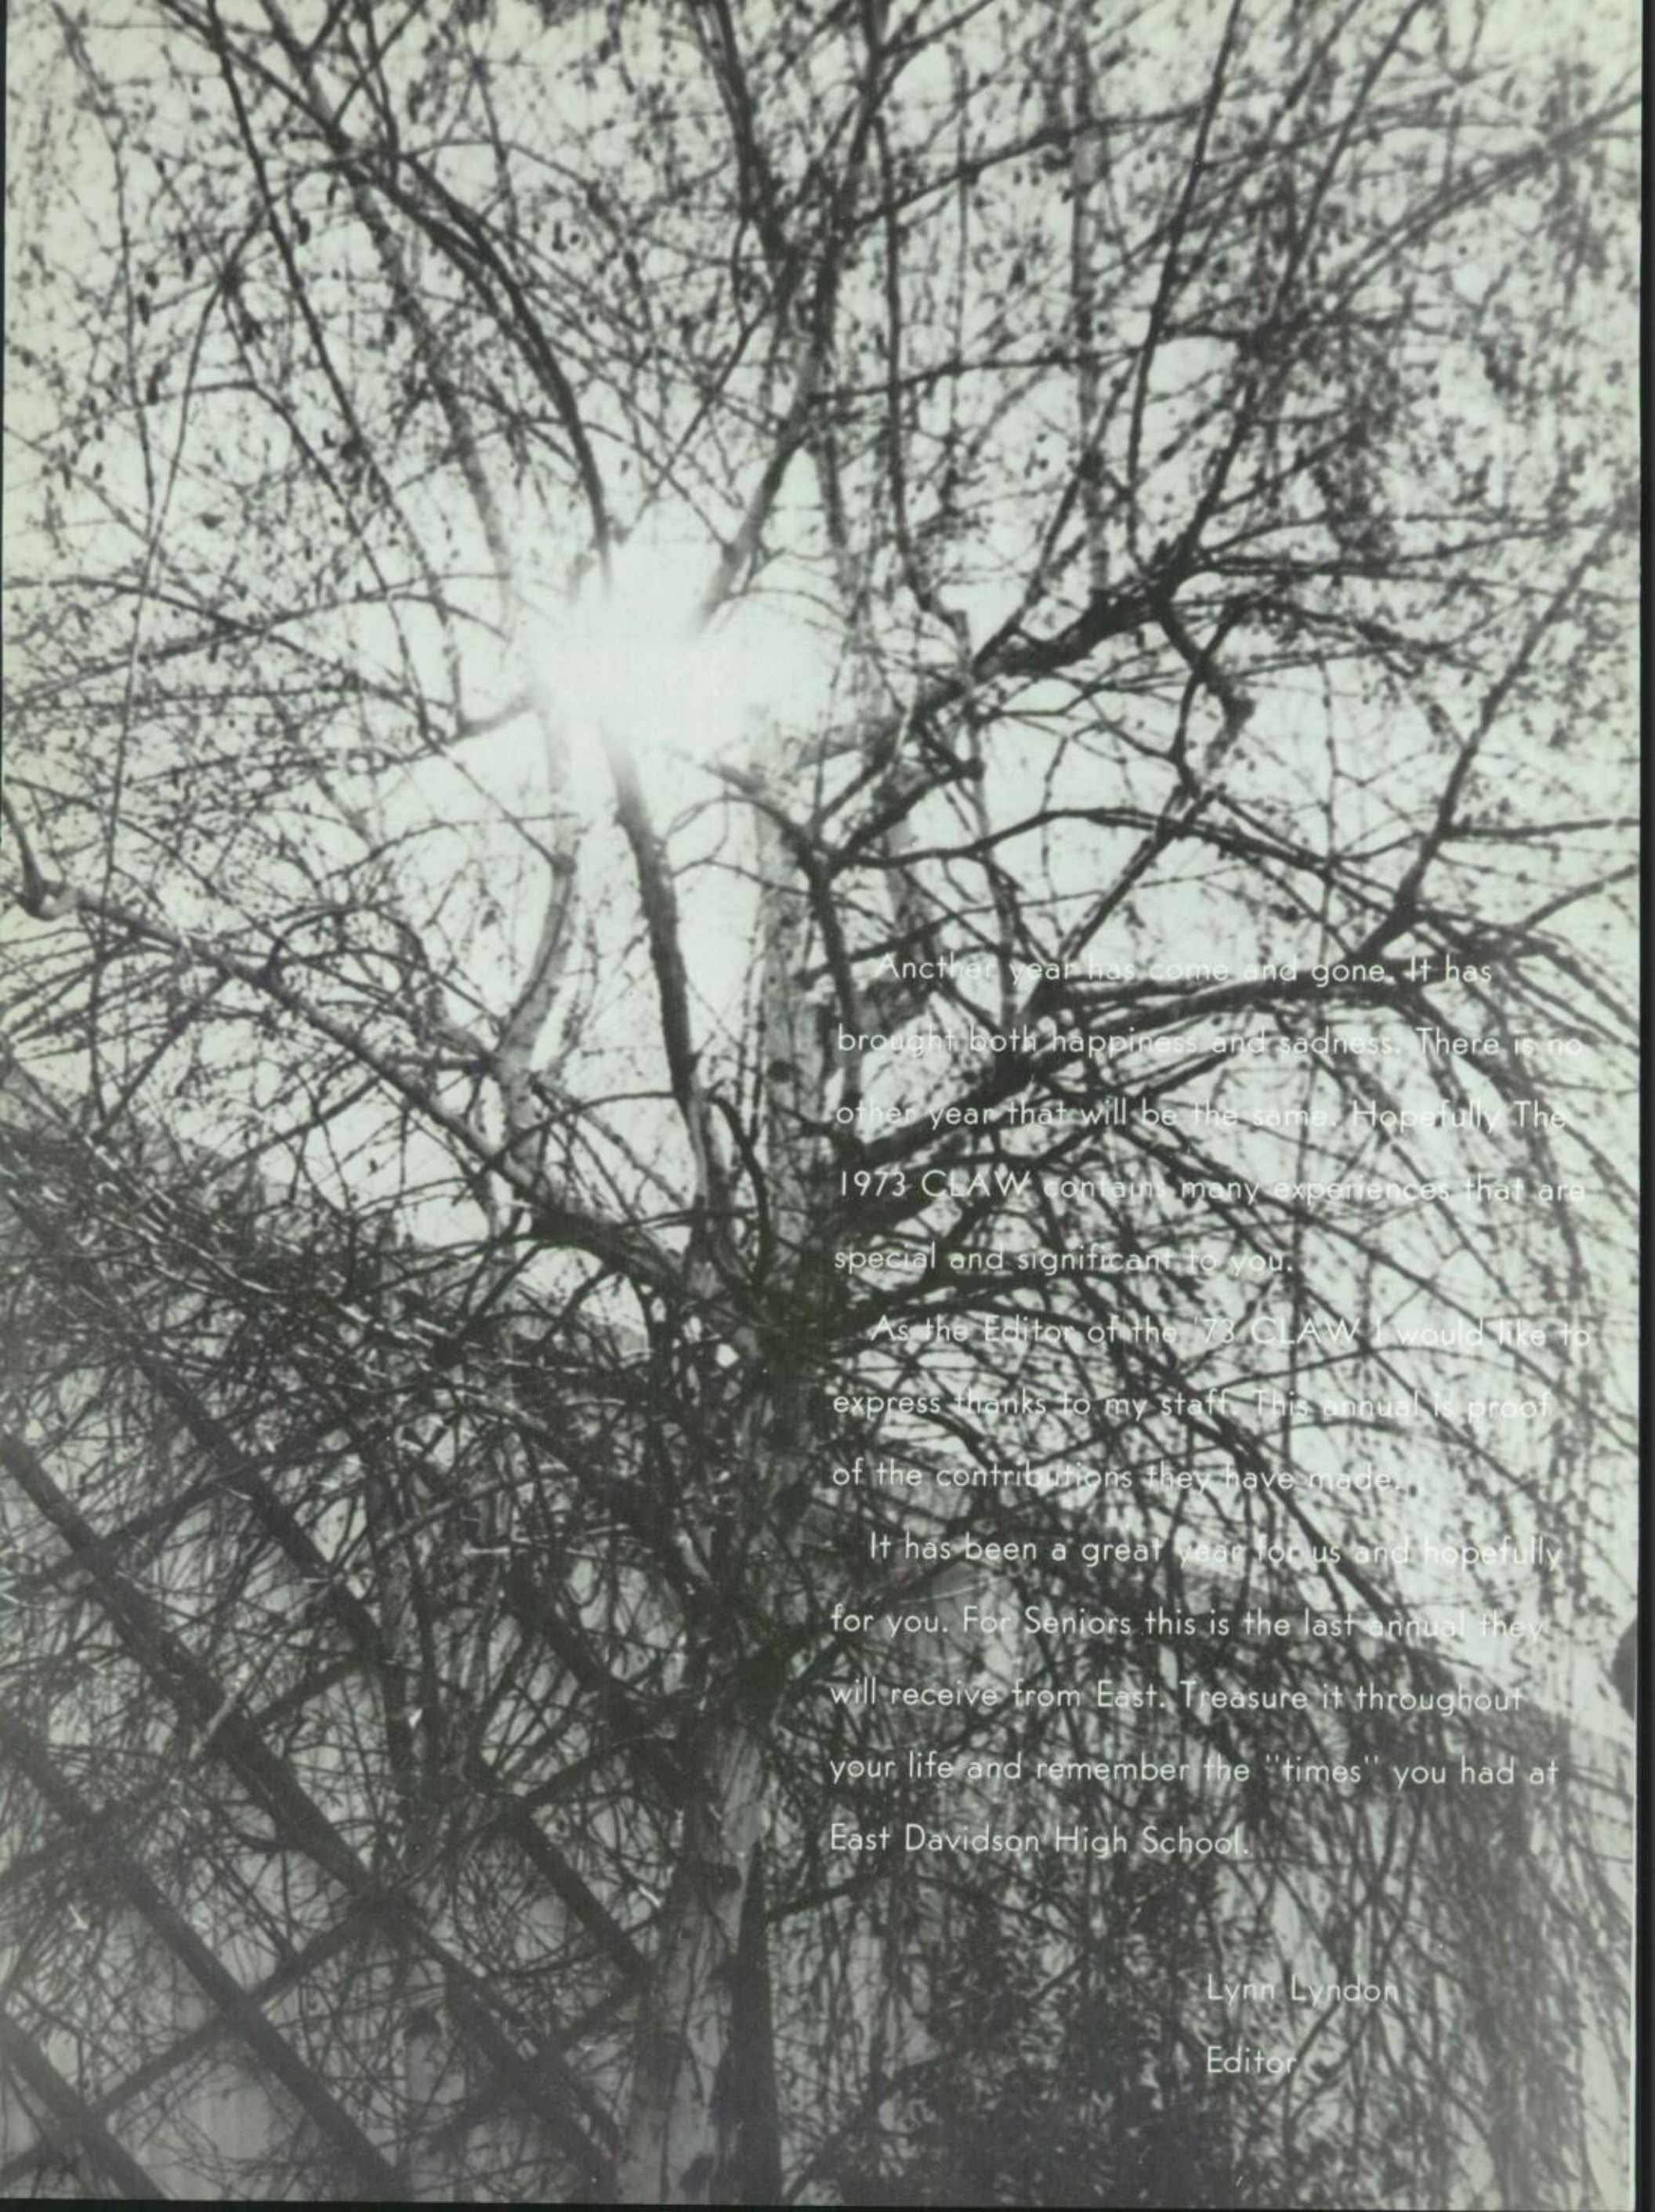
The '73 Claw staff would like to express our congratulations to both the Girl's and Boy's Varsity Basketball teams. They have worked long and hard and faced defeat as well as Victory. Never in the history of East have we had two great teams at one time. Thanks to them and their coaches for making this year perfect.

'72-'73

WE LOVE YOU!

No Hands?

Now how do you spell county?



Another year has come and gone. It has brought both happiness and sadness. There is no other year that will be the same. Hopefully The 1973 CLAW contains many experiences that are special and significant to you.

As the Editor of the '73 CLAW I would like to express thanks to my staff. This annual is proof of the contributions they have made.

It has been a great year for us and hopefully for you. For Seniors this is the last annual they will receive from East. Treasure it throughout your life and remember the "times" you had at East Davidson High School.
